

RECIPES WANTED!

Do you have a favorite recipe? Maybe one that has been passed through your family or was taught to you during your childhood. Would you like to share it?

The Refugee Immigration Ministry (RIM) is making a cook book and needs recipes special to your family. RIM is hoping to publish a book filled with different dishes from countries all over the world. If interested, submit a detailed copy of your recipe on a [recipe collection sheet](#) so that others can recreate and enjoy it.

Please email your recipe to recipes.rim@gmail.com by September 15th, 2017 to ensure we have time to review your submission. If you cannot submit your recipe electronically, please send it directly to the RIM office by mail:
